 Document # 39

SUBJECT: Cuba -- Standing Group Meeting

I refer to your Standing Group meeting at 5:00 P.M. today.

Left-Hand Side of Folder -- Cables which report on OAS reaction to possible Rio Treaty action against Cuba.

*From cable*  
TAB 1 -- State's paper "OAS Action Against Cuba". This is still the unofficial version. A meeting was held yesterday between State and DOD to rehash the possible course of action which pertains to "quarantine" or surveillance of further arms shipments. The paper was being revised late last night and I understand it is scheduled to be here in final form this morning.

Originally, the Standing Group was also to consider another State paper today -- regarding bilateral and unilateral actions we should take against Cuba. However, I am told that the Secretary has decided to hold the paper for further consideration within State.

*WAC*  
TAB 2 -- A useful INR memorandum which analyzes the problem of illegal arms shipments in Latin America.

*WAC*  
TAB 3 -- A memorandum regarding Bill Attwood's activities which I understand you wanted held for the meeting. *(S)*

*WAC*  
TAB 4 -- Attached are three memoranda which give the chronology of Bill Attwood's activities.
